

*Metal Pedestal*

*Victoria Table*

*Little Big Man*

*French Curve End Table*

## Nominated for best supporting role.

**A Metal Pedestal**

by David Coddair  
Charmingly eccentric iron table has a mottled surface created with acid and pigment washes. 42" h 12" w 12" d  
A2456-012 \$540 (s+h \$40)

**B Mirage Bowl**

by Mary Ellen Buxton and Kevin Kutch  
Thick blown glass is cut at an angle to reveal a transparent colored inner ring and a layer of colored glass encased within clear glass. Each piece is unique; dimensions and color may vary slightly. Available in green, red-iris (shown), or silver-blue. 6.5" h 5.5" dia  
A6291-009 \$415 (s+h \$25)

**C Victoria Table**

by Scott Grove  
A perfect hemisphere of turned poplar with a quilted maple veneer top, poised on a curving tripod of ebonized oak and maple with mother-of-pearl inlays. Copper polychrome finish lends depth and richness to the underside of the tabletop. 32" h 12" dia  
A5968-003 \$1060 (s+h \$35)

**D Little Big Man**

by Erik Wolken  
This spunky end table of solid ash pulls double duty as an artful stool. Put two together with a glass top and *voilà!*—you've got a coffee table sure to spark some conversation. Two-tone red finish. 16" h 14" w 11" d  
A4419-033 \$950 (s+h \$75)

**E Pomegranate: Eggshell**

by Whitney Smith  
Wheel-thrown ceramic vessel, carved and decorated on the surface with a freehand scraped design. Larger size available at artfulhome.com. 4" h 4" dia  
A5805-027 \$70 (s+h \$10)

**F French Curve End Table**

by Eric Ziemelis  
Like a cresting wave or billowing sail, bent plywood supports a 0.5"-thick clear glass top with beveled edges. Please specify veneer: cherry (shown) or stained dark mahogany. Glass top is 20" square. 20" h 10" w 16" d  
A4643-029 \$900 (s+h \$125)

**G Interlocking End Table #3:**

**Anegre**  
by Andrew Muggleton  
Consummate design showcases the bold striped figure of anegre wood veneer over a core of laminated wood. 0.5"-thick glass top with four aluminum supports. Lacquer finish. Also available in bubinga, wenge, and makore at artfulhome.com. 20" h 16" w 16" d  
A5903-031 \$1800 (s+h \$200)

**H Ikebana Vase**

by Richard S. Jones  
Blown glass with silver leaf and a low profile to showcase the architecture of your arrangement. A metal kenzan for holding flower stems is attached to the interior of the base. Please specify color: green, blue (shown), or red. Sold separately. 3" h 6" dia  
A2112-049 \$120 (s+h \$15)

**J Spiral End Table**

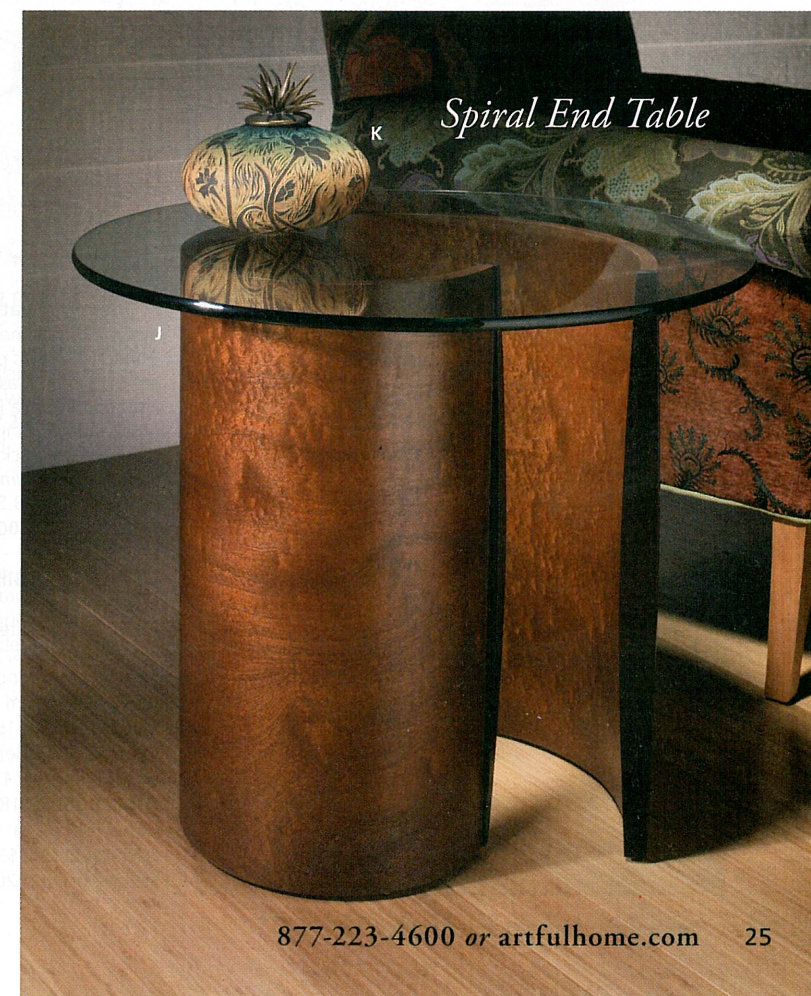

by Richard Judd  
A glossy, dappled spiral of pommele sapele veneer over birch and luan plywood, punctuated with dark African wenge edges. 0.5"-thick glass top with a smooth, rounded edge. **Only 10 tables available for the 2007 spring season.** 22" h 26" dia  
A0931-016 \$1750 (s+h \$125)

**K Botanica**

by Natalie Blake  
Hand-rolled tines bristle from the lid of this sculptural porcelain vessel—thrown, carved, and glazed by hand, then fired to 2300 degrees for an antique appearance. Additional vessels available at artfulhome.com. 7" h 8" dia  
A6169-021 \$435 (s+h \$28)
