

Flex YOUR POTENTIAL.

Earn a University of Wisconsin degree at your pace, on your schedule, using knowledge you already have.

Find out if the UW Flexible Option is right for you!

TAKE THE FLEX FIT SURVEY

YOU'RE SMART.

Hardworking. You have the potential to go far.

But without a college degree, it's not easy to get ahead. You'd like to go back to school, but how would you make it fit?

NOW THERE'S A FLEXIBLE OPTION

Made especially for working adults with some college credits or significant work experience, the UW Flexible Option lets you earn the University of Wisconsin degree you've always wanted, but never had time to get!

COMPETENCY-BASED ONLINE FORMAT IS FOCUSED ON YOU

You are not a traditional student. So how could anyone think the traditional college model is the right fit for you? The competency-based Flexible Option sets you free from regular courses and semester schedules so you can work toward your degree at your pace—when, where, and how you want. Start any month, test when you are ready, and study only what you need to learn.

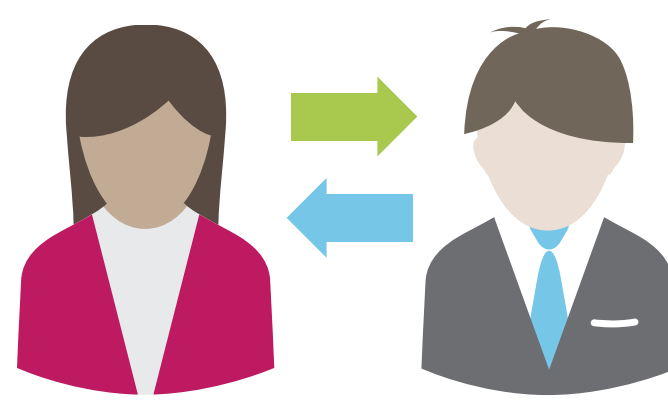

EARN YOUR DEGREE FASTER—OR TAKE MORE TIME IF YOU NEED IT

Instead of taking regular classes, you earn credit by passing assessments—tests, papers, and other projects—that show you have mastered competencies—the skills and knowledge essential to your degree. Pass one assessment and move on to the next. The pace of your progress is entirely up to you!

SAVE TIME AND MONEY BY EARNING CREDIT FOR WHAT YOU ALREADY KNOW

You know things. You've done things. That should count for something—and now it does. The Flexible Option lets you use your existing knowledge (gained from prior courses, military training, work, and other experiences) to pass assessments for credit. You'll study only what you need to learn and never waste time or money taking courses you don't need.

GET PERSONALIZED, ONE-ON-ONE SUPPORT

Your Academic Success Coach will work with you to create a learning plan and timeline tailored to fit your knowledge, needs, and schedule. As you progress, your coach will help you prepare for assessments and point you to the learning resources you need to succeed.

GRADUATE WITH A GENUINE UNIVERSITY OF WISCONSIN DEGREE

Upon graduation, you will earn the same recognized and respected University of Wisconsin degree as students enrolled in traditional UW programs. You will be proud of your achievements, and you will enjoy an advantage with hiring managers.

See how the Flexible Option works.

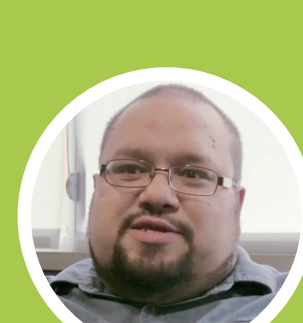

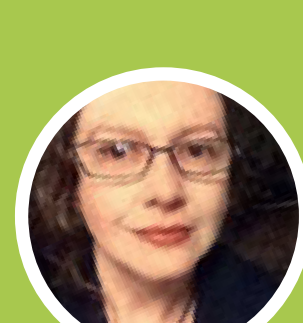

SEE WHAT FLEX STUDENTS ARE SAYING

I've gained a lot of knowledge on the job. **That's valuable because Flex lets you earn credit for what you know. It doesn't matter where, when, or how you learned it.** As long as you can prove it and use it to complete your assessments, you can use it to move ahead.

— Carla Lundeen, Madison, Wisconsin

ADVANCE YOUR CAREER—OR START A NEW ONE

Choose from several exciting programs, with more on the way:

ARTS & SCIENCES

NURSING

DIAGNOSTIC IMAGING

The **Information Science & Technology** degree immerses students in information science, information architecture, information organization, storage and retrieval, and applications of the Internet.
